

Terms and conditions

Process of redemption

To redeem this gift voucher, please contact skydive jersey by email at info@skydivejersey.net or by calling (01534) 747410. We will be pleased to advise you of the centres upcoming opening dates in Jersey or Guernsey (as appropriate). A list of opening dates and current availability is normally also available from our website www.skydivejersey.net. Depending on demand extra dates may be added so check back regularly.

Validity

If you have failed to arrange and attend a training / scheduled jump date before the expiration date shown on the voucher, the validity date can be extended by one year on payment of the amount of the Skydive Jersey standard booking deposit amount (the "deposit amount"). The booking amount is the non-refundable deposit amount as stated on the tandem skydive booking form. The valid to date may only be extended once.

Transferability

Vouchers can be transferred to other users within 3 months of issue for free, after which a transfer fee of the deposit amount will be charged to transfer the voucher to another user. Transfers do not extend the validity date of the voucher.

Delays due to weather and/or due to other factors

If you have attended for training and been unable to jump due to weather or other reasons the validity of the voucher is automatically extended to one year from the date of your last attendance. There is no limit to the number of times your voucher may be extended as a result of not jumping due to weather or other factors but having attended for training.

(eg if your voucher expires 31 december 2005 but you attempt to redeem your voucher on 20 October 2005 but fail to jump due to weather then you may rebook for any scheduled date prior to 20 October 2006. If then attempted to jump on 15 May 2006, but again the weather prevented the jump your voucher remains valid until 15 May 2007 etc).

Non refundable and limitation of purpose

Gift vouchers are only redeemable against skydiving activities conducted by Skydive Jersey. Gift vouchers are not redeemable for cash.
